

2023 IMPACT REPORT

Support

Embolden

Multiply

DEAR FRIENDS,

We are thrilled and deeply thankful as we convey our sincere gratitude for your generous support in furthering our mission to **embolden displaced and persecuted Christians in the Middle East and beyond, encouraging them to stand firm in their faith.**

If you prayed, donated, or even thought about us, we consider it an honor. We do not take it lightly that you are part of the 4G3 family.

We are thankful for you.

Your prayers and partnership have allowed us to directly impact **69,000 individuals** in 2023, offering them opportunities for spiritual growth, community, and personal development. Through the 4G3 Discipleship Institutes and training courses, we have witnessed remarkable transformations in lives, the strengthening of communities, and the restoration of hope.

Your support goes beyond the numerical count, as each individual touched by our programs becomes a catalyst for spreading the Gospel in their communities! Your generosity is instrumental in enabling thousands of refugees and persecuted Christians to bloom where they are planted.

Grateful,

Dr. Wahid and Laila Wahba

PS. The email you get from 4G3 every two weeks is not just another bulk email that we send out without noticing who we are sending it to. On the contrary, each time we send an email, I look at each one of your names and pray for you. As I send the email, I try to picture your face as you read how God is moving mightily in the Middle East.

OUR STORY

At 4G3, we minister to those who have chosen to remain in their countries despite severe persecution. The mission of 4G3 is to embolden displaced and persecuted Christians in the Middle East and beyond to stand firm in their Christian faith. A dentist by profession, Dr. Wahid Wahba resigned from his dental practice in Cairo, Egypt, in 1976 to pursue full-time Christian ministry.

Dr. Laila Risgallah Wahba is a pediatrician who is passionate about children and their welfare. She has a Master's degree in Pediatrics, a Ph.D. in childhood studies, and a bachelor of psychotherapy. She is a leading expert on sexual abuse and bullying in the Middle East.

Since answering God's call more than 40 years ago, Drs. Wahid and Laila have trained and equipped millions of Christian leaders worldwide. In 2000, they launched the Middle East Leadership Training Institute (MELTI), which annually reaches 45,000 people in 25 Middle Eastern and North African countries. Not only does 4G3 help those who choose to stay behind and make a difference, but it also works with refugees forced to flee their homes due to war and severe persecution against their Christian beliefs.

Since 2018, Discipleship Institutes have been held in Syria, Iraq, North Sudan, South Sudan, Jordan, Turkey, and Egypt. In 2024, 4G3 will have the opportunity to plant 4G3 Discipleship Institutes with uniquely gifted and highly trained directors in seven additional countries: Kenya, Tanzania, Nigeria, Ivory Coast, South Africa, Ukraine, and Pakistan.

“I now lead an underground church in Turkey...”

“Growing up, I had unspoken questions about Islam, hesitant to ask. As an adult, receiving a Kurdish Bible proved my fears about Islam being a hoax. After encountering a friend from Syria who spoke to me in a language I could understand, my wife and I embraced Christianity. After becoming trained and equipped, I now lead an underground church in Turkey, making disciples. Your prayers and support enable stories of transformation like mine.”

- 4G3 Discipleship Institute Graduate

HOW WE DO IT

4G3 is providing long term discipleship that emboldens displaced and persecuted Christians to stand firm in their faith, build holy habits, change their victim mentality to a victor mentality, and learn to bloom where they are planted causing a ripple effect in refugee and persecuted communities.

Discipleship Institutes offer a 15-month, 70-hour curriculum using ten core curricula. 4G3 partners with a variety of ministries to bring the most relevant and impactful disciple making curriculum to our participants in a way and context they can understand.

We have established 22 Discipleship Institutes in 8 countries in the Middle East. We are expanding our reach in Kenya, Nigeria, South Africa, Ivory Coast, Tanzania, Pakistan, and Ukraine, as God provides.

In 2023, our Discipleship Institutes offered the following courses:

- **Purpose Driven Life (PDL):** Understand life's purpose in worship, fellowship, discipleship, ministry, and evangelism in a clear and unshakeable way.
- **Solving People Puzzle (SPP):** A Christian perspective on DISC analysis, studying characters like Paul, Peter, Abraham, and Moses. Learn conflict resolution, effective communication, and dealing with different personalities.
- **SHAPE:** Deepen DISC analysis to discover ministry fit, aligning spiritual gifts, passion, abilities, personality, and experience. Shift from consumer to contributor mentality.
- **Teaching With Style (TWS):** Practical training on how Jesus attracted and engaged audiences, exploring diverse communication methods.
- **Vision of the Leader (VOL):** Discipleship through Nehemiah's character study, emphasizing the role of prayer in realizing vision and understanding vision stages.
- **Life's Healing Choices (CR):** A concise version of Celebrate Recovery, addressing habits, hang-ups, and hurts, particularly relevant for those in war-torn areas.
- **The Invisible War (IW):** Essential training on spiritual warfare, recognizing and combating spiritual battles with the right weapons. (7 hours)
- **Walk Thru the Old Testament (WTOT):** Survey the Old Testament, covering key personalities, geographical areas, and events.
- **Love, Sex and Lasting Relationships (LSLR):** Navigate love and relationships during times of vulnerability, differentiating between real love and infatuation. Emphasis on sexual purity.
- **Seven Stages of Spiritual Growth (7SSG):** Explore stages of spiritual maturity and the journey toward the fullness of Christ.

We are currently in the process of raising funds to train leaders from Kenya, Nigeria, South Africa, Ivory Coast, Tanzania, Pakistan, and Ukraine. Once trained, these pastors will establish Discipleship Institutes in their respective countries, making a significant impact on the lives of thousands of individuals.

TESTIMONIALS

"Knowing 4G3 made a big difference in my life. I started to think differently.

Now, I can talk about Jesus to others in a new way. Though I've been in ministry at my church for a long time, I did not have a real relationship with God. The true relationship of knowing how to speak, how to pray, and how to communicate with God in truth. This made a big transformation in my life. It made a difference in my ministry. I started to witness about Jesus not only with words, but I tried to communicate the Christian way of life to my peers in the ministry. I also speak about Him with my family. I talk about Jesus all the time! I try to share what I live with the others so they can enjoy it too."

Ramzy, 4G3 Graduate in Egypt

"My only regret is that when I first accepted Jesus, I harshly attacked Islam and my family. I learned from the 4G3 Discipleship Institute that I could have been gentler with my family when I initially accepted Jesus. Maybe, I am the cause that they have taken so long to see Him for who He is: the One and Only Savior, the One and Only Way." Hussein, 4G3 Graduate in Syria

"I received an invitation to attend 4G3 Discipleship Institute. Looking at the well-thought subjects we were going to study for over 15 months, I was immediately drawn to enroll. The sequence of the ten courses made so much sense to me. Although attending would put more pressure on my already tight schedule, I decided to join. Each course impacted me differently. After going through the Discipleship Institute, I will never forget what I learned."

Hala, 4G3 Graduate in Jordan
